1875 - Centennial - 1975

Happy Birthday members! This congregation is now 100 years old. This a time both for looking back and looking forward. For some of you whose membership stretches over many years, perhaps even a whole lifetime, it is cause for recalling the changes over this century. It is the congregation you grew up in, with changes always taking place like the changes in an ever flowing stream, and yet with an overall resemblance of what we once knew. We have seen a lot of changes in the world and in the church. From the quiet days of family get-togethers, and quilting bees, to a fast moving pattern of life that leaves little time for reflection. This congregation began as the center of all community life, but its energies expanded to school and community affairs and organizations. The Church no longer is a shelter from the storms of life, but it has remained a fellowship that cushions us and encourages us to deal with life's problems.

In this centennial year, may it not be just a time for looking back, but a time to look forward to whatever the future may hold. God has been our strength in difficult times in the past, and we are certain that our Lord will direct us into the future.

Contained within these pages are the persons and families that make up this fellowship. They are more than just pictures of families and individuals, but are part of the Church that is both valued and valuable to God our Father and to Jesus, the Christ. In the days and years to come, we trust that God will use us even more significantly in serving as "HIS" children in serving others and in growing closer to God that we may be effectively used by God's Spirit. May we learn to love the Lord with all of our heart, mind, Spirit, and strength, and to love others as we would ourselves.

May God Bless all of You!
